Akron's "Better Half": Women's Clubs and the Humanization ...

While the men of Akron busied themselves laying the economic, legal, and industrial foundations, their mothers, wives, sisters, and daughters were equally busy weaving the benevolent and cultural fabric of the growing city. It was a pattern replicated in scores of industrial centers across the nation. This is the story of how it happened in Akron, Ohio. Akron's "Better Half": Women's Clubs and ...

First, a man could walk in alone or he could be with his wife, who, if you are buying a holiday home isn't your wife but your "better half." If you have been married for under 10 years you have a wife. Anything beyond that is a better half. So this man walks in alone. He's in his 40s or in his 50s.

Club Fitting. For all clubs, the best way to add distance is to play with clubs that fit your swing. Every player stands differently to the ball, so the length of shaft should fit the individual swing. Clubfitters will use a chart with golfer's wrist to floor measurements to start, then adjust the length of the clubs to match the stance.
