Becoming A Translator Douglas Robinson

"Robinson's Becoming a Translator, which is in its third edition, is a product of years of work, use, revision and updates. Much of the advice which it contains demonstrates that the author is an experienced, enthusiastic translator." - LINGUIST List

Becoming a Translator: An Introduction to the Theory and ...

Mr. Robinson has addressed many issues a beginning translator needs to know. He offers excellent advice and resources. He also explores related issues such as ethical issues. Some chapters I feel are superfluous thus preventing it from receiving a five-star rating. This is a much needed book for starting a career as a translator. Too many books are about the process of translation and not on the process of the business of translation.
