Classical mythology is kept alive if the stories are being used and retold. It is a continual process of telling, retelling, provoking, reacting, analysing, and revising. The Conclusion summarizes the influence of classical myths through the ages and today, and argues that myths operate relationally to other representations of the same story and in relation to other myths.

### **Book Review: Classical Mythology by Helen Morales | Mboten**

A book review by Danny Yee © 2017 <http://dannyreviews.com/>. Neither The Gods of Olympus nor the Very Short Introduction is a general introduction to classical mythology, and anyone after either retellings of myths or any kind of reference should look elsewhere. They are, rather, explorations of the ways classical mythology has been refashioned and reused over the centuries.
