2001, p. 439). In this chapter, we look at various ways in which treatment personnel have been fighting the war. When reading this chapter, keep in mind that the vast majority of money assigned to correctional agencies is spent on surveillance and control functions. According to the National Center on Addiction and Substance Abuse (2010), among the

11 Correctional Programming and Treatment

Although arguments have been offered regarding the differentiation of correctional counseling and psychotherapy along lines of the theory behind the technique, it is often difficult to determine where counseling stops and psychotherapy begins, especially in correction settings, where most treatment practitioners are counselors with M.A. degrees.
