This is for a DuroMax XP10000E gas engine automatic carburetor with electric fuel shutoff. Most carburetors for gas engines 11hp and up come in 1 of 2 styles but there are exceptions. This carburetor is an automatic style of carburetor that is used when there is an external way to adjust the throttle.

DuroMax XP10000E Automatic Carburetor with Shutoff Solenoid

In detailing my review of the DuroMax XP10000E, I found no significant flaws in maintaining the unit, and the recommended service schedule is quite similar to other generators I have operated in my capacity as a municipal employee. New owners of the DuroMax XP10000E will receive a descriptive owner's manual.

Comprehensive DuroMax XP10000E Generator Review

However, this problem is not unique to just the XP10000E. All high-wattage generators are heavy. If there is one thing that upsets me with a large purchase is the lack of information in an owner's manual. The guy that reviewed the XP10000E portable generator noted that DuroMax did not even identify how much oil should be used in the engine.

DuroMax XP10000E Generator Review Reveals Problems
