organization's might against any invasion from ...

Three charts that show why Trump thinks NATO is a bad deal

NATO is still a highly relevant organization within the framework of contemporary international affairs due to the active role it plays in collective security, humanitarian intervention, and international politics, and therefore will become all the more prominent in the future.

The Relevance of NATO in the Modern World — SIR Journal

But the difference this time round is that Trump is implicitly questioning NATO's role, just as he has questioned the role—if not the relevance—of other multilateral organizations. He wants value for money, however much that can be qualified and quantified when it comes to putting a price on security and maintaining the transatlantic ...

NATO's Relevance - Carnegie Europe - Carnegie Endowment ...

The alliance is preserving the peace in Europe and containing an assertive Russia. It is not a crisis of relevance. NATO troops continue to serve in Afghanistan, in the fight against the Islamic...

Does the US need NATO? — Quartz - Quartz — Quartz

NATO has been a cornerstone of security in Europe—and of U.S. foreign policy—for six decades. But its ability to continue playing such a central role is unclear. The Future of NATO takes a sober...
