## **Terrorism, Instability, and Democracy in Asia and Africa ...**

The finding that stability is more significant than democracy for preventing terrorism has a very important implication. Forcing regime change to a democracy by violent means can be expected to increase the level of terrorism in a region, rather than reducing it, because the change in government and the conflict that enables it produces instability.

## **Amazon.com: Customer reviews: Terrorism, Instability, and ...**

One first deep cause of international terrorism according to the empirical literature is democracy. The intuition is that societies lacking democratic liberties constrain political protest into clandestine and often violent forms, among them terrorism.
