Vehicle insurance, in the United States and elsewhere, is designed to cover the risk of financial liability or the loss of a motor vehicle that the owner may face if their vehicle is involved in a collision that results in property or physical damage. Most states require a motor vehicle owner to carry some minimum level of liability insurance. States that do not require the vehicle owner to carry car insurance include Virginia, where an uninsured motor vehicle fee may be paid to the state, New H

Vehicle insurance in the United States - Wikipedia

Car Insurance Becomes Law As more people started driving cars, more accidents started happening, along with more legal disputes. The biggest issue that came from all of this was that even after fault was determined in an accident, there was no guarantee that the at-fault driver would be able to pay for the costs associated with that accident.
