An abandoned railroad is a railway line which is no longer used for that purpose. Such lines may be disused railways, closed railways, former railway lines, even derelict railway lines. Some have had all their track and sleepers removed, and others have material remaining from the former use. There are many hundreds of these throughout the world.

Abandoned railway - Wikipedia

This is a list of model railways.. The world's first model railway was made for the son of Emperor Napoleon III in 1859 at the Château de Saint-Cloud. However, "There is a strong possibility that Matthew Murray, who built the geared-for-safety rack engines for John Blenkinsop's coal mine near Leeds, England, was actually the first man ever to make a model locomotive."

List of model railways - Wikipedia

The Norfolk and Western Railway (reporting mark NW) was a US class I railroad, formed by more than 200 railroad mergers between 1838 and 1982.It was headquartered in Roanoke, Virginia, for most of its existence.Its motto was "Precision Transportation"; it had a variety of nicknames, including "King Coal" and "British Railway of America".

Railroad industry employment has declined significantly in the United States since World War II. Factors contributing to this decline include increased productivity, industry consolidation, new technologies, and the significant reduction in passenger and local freight service.

Railroad Employment & Labor Statistics by Year

I grew up with this film, so forgive me if I sound bias. Thomas and the Magic Railroad is a 2000 feature film based off of the classic book series. It stars Alec Baldwin and Peter Fonda. I think that Peter Fonda overacts a little in the beginning of the film, but overall all of the human actors nail their parts.
