Vignette - Wikipedia

Vignetting is a reduction of an image's brightness or saturation at its edges compared to its center. The result is an image that is clear in the center, and fades out at the edges. The image on the left is 100% visible to its rectangular edge.

In literature, a vignette (pronounced vin-yet) is a short scene that captures a single moment or a defining detail about a character, idea, or other element of the story. Vignettes are mostly descriptive; in fact, they often include little or no plot detail. They are not stand-alone literary works, nor are they complete plots or narratives.

With the Vignette 2018 we offer for the first time an alternative to the traditional toll sticker. The digital vignette, unlike to its analogue sister, is bound to the license plate and offers greater convenience for holders of transferable number plates. For those who want to continue to stick, of course, the toll sticker is available.
