Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Warship Black Fleet Trilogy Book

The book also relied too much on hidden Captain functions. The final battle was a bit unsatisfying. The book had plenty of battle action with the alien and other interaction with some of the crew and fleet hierarchy, plus some nice spook thread. I look forward to the second book when it comes out.

Overview. From Joshua Dalzelle, author of the bestselling "Omega Force" series, comes an all new vision of humanity's future. In the 25th century humans have conquered space. The advent of faster-than-light travel has opened up hundreds of habitable planets for colonization, and humans have exploited the virtually limitless space and resources for hundreds of years with impunity.

Warship: Black Fleet Trilogy 1 by Joshua Dalzelle ...

Warship by Joshua Dalzelle delivers a lot of action in such a short book. Wolfe's command of the aging Blue Jacket allows for fun and tense encounters. Readers who enjoy military space operas and who are looking for a fun book (and trilogy) won't regret picking up the Black Fleet trilogy. It's not as engaging as Dalzelle's other works, but the writing is fine and the action is engaging.
